KACIA – LIVING

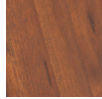

DESCRIPTION

Tasteful and modest. Constructed of solid acacia wood, the kacia collection takes inspiration from this material. Native to vietnam, acacia is a durable, soft wood with a rich and complex grain. Thin lines, rounded edges and mid-century inspired styling highlight the solid wood, finished in a warm chestnut brown. Now available in three sizes, including a new rectangular shape, the kacia coffee tables can work alongside the kacia end table to create a dynamic combinations.
